## ABOUT PROGRAMME'S

### **1. PROGRAMME'S MISSION & OBJECTIVES:**

Each Programme's Mission is to facilitate the sharing of knowledge and information for future professionals. Every program is designed to offer education to those who are unable to attend traditional classes, particularly addressing the needs of working professionals who wish to learn while continuing their careers.

Each Programme's Objective is to enhance the academic qualifications and career opportunities of its participants, as an MBA, MCom, BCom are one of the most sought-after degrees in today's business environment. It provides learners with a competitive advantage and broadens their knowledge base. The objective is to create a platform where theory and practice intersect, thereby improving career prospects and aiding in professional advancement.

### **2. RELEVANCE OF THE PROGRAM WITH HEI'S MISSION AND GOALS:**

Each Degree in both conventional and Distance modes are equivalent as per UGC notification dated August, 2022 F. No.3-5/2022(DEB-II). MBA, MCom and BCom program are significant as they aligns with the broader objectives of the Higher Education Institution (HEI), which strives to make education accessible to everyone. It particularly supports students who cannot participate in traditional programs, including women and working professionals, by enhancing their current skills, knowledge, and capabilities. This program is especially pertinent for individuals seeking to elevate their professional qualifications in accordance with market demands.

### **3. NATURE OF PROSPECTIVE TARGET GROUP OF LEARNERS:**

The target audience for each program includes both emerging managers and seasoned professionals in the corporate sector as well as in academia who aspire to assume greater responsibilities and leadership roles within their organizations. The program addresses the self-improvement aspirations of individuals seeking to enhance their professional qualifications in line with current market demands. It is also beneficial for students pursuing CA/CS or preparing for various competitive examinations (such as Civil Services, SSC, UGC, etc.). Additionally, the program qualifies students for enrollment in other master's degree programs and Ph.D. studies.

### **4. APPROPRIATENESS OF PROGRAMME TO BE CONDUCTED IN OPEN AND DISTANCE LEARNING MODE TO ACQUIRE SKILLS AND COMPETENCE:**

Programme's delivered through open and distance learning is particularly suitable given the limited availability of seats in many universities, which restricts the opportunities for countless students aspiring to obtain a professional degree in business administration. Distance learning serves as a valuable solution to this issue. There is a significant demand for master's degrees in business administration among individuals who lack a formal management qualification. This program is designed to cater to working professionals who cannot attend traditional classes due to their job commitments but are eager to enhance their educational qualifications for career advancement. Furthermore, this degree not only boosts their confidence but also equips them with essential managerial skills, fostering a mindset aligned with global management practices.
